PROFESSIONAL SUMMARY

Adaptable and motivated BSIT graduate with hands-on internship experience in frontend web development. Proficient in building responsive, user-friendly applications using HTML, CSS, JavaScript, React, Node.js, Express, and MongoDB, with practical experience integrating RESTful APIs. Skilled in version control with Git, GitHub, and Bitbucket, while recognized for strong problem-solving, teamwork, and adaptability. Eager to contribute both technical expertise and soft skills to deliver high-quality results in dynamic environments.

EDUCATION

UNIVERSITY OF THE ASSUMPTION   2021 - June 2025
Bachelor of Science in Information Technology   San Fernando, Pampanga
- Cum Laude
- Presented a capstone project on activity management systems at the International Conference on Information Technology Education (ICITE) 2024 in South Korea, highlighting innovative research and development.

EXPERIENCE

TORO CLOUD   Jan. - April 2025
Frontend Developer Intern   Clark, Pampanga
- Developed and maintained responsive web applications using **HTML**, **CSS**, **JavaScript**, **Typescript**, **React**, **Node**, **Express**, and **MongoDB**.
- Integrated **RESTful APIs** to dynamically render data and enhance user interactivity.
- Managed code repositories and facilitated collaborative development using **Git**, **GitHub**, and **Bitbucket**.
- Contributed to maintaining clean, reusable, and well-documented codebases.

PROJECT

SPOONFED - Cookbook and Recipe Search Website   February - March 2025
React, Node.js, Express, MongoDB
- Developed a full-stack recipe management application with Node.js and Express, allowing users to search, save, and organize recipes through a public API.

UACTTRACK - University Activity Management and Tracking Platform   June - November 2024
React, Node.js, Express, MongoDB
- Developed a full-stack web application to manage university student activities, implementing role-based access control, activity submission tracking, and MySQL database integration.

SKILLS

Technical Skills: HTML, CSS, JavaScript, TypeScript, React.js, Vue.js, PHP, Node, Express, Git, APIs, MySQL, MongoDB, Firebase, Responsive Web Design, Debugging and Troubleshooting.
Soft Skills: Problem Solving, Team Collaboration, Time Management, Critical Thinking, Adaptability, Communication Skills, Attention to Detail.
